## Registration

---

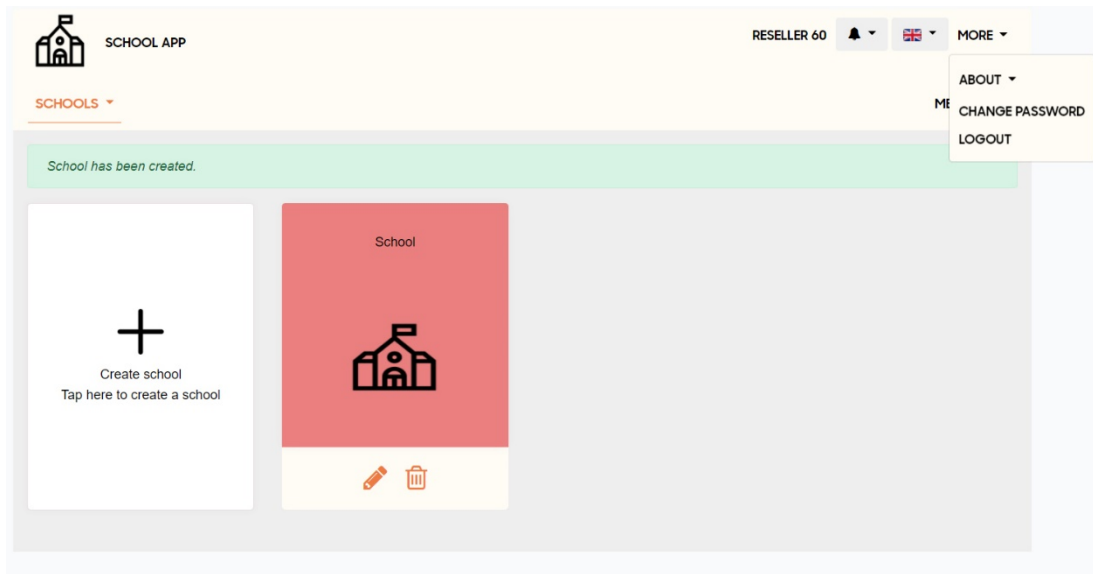

Users can register via any browser or the "Samsung Classroom Management" app.

### Registration via a browser

Visit the URL <https://school.tabnova.com>

A screenshot of the Tabnova login page. The page has a light blue header with a UK flag icon in the top right corner. Below the header is a large orange banner with a white schoolhouse icon and the word "Welcome" centered. Underneath the banner is a white login form with two input fields: "Enter Email" and "Enter Password". The password field has an eye icon to its right. Below the password field is a checkbox labeled "Remember Me" and a link "Forgot Your Password". At the bottom of the form is a large orange button labeled "SIGN IN". The footer of the page contains the text "Privacy", "© 2021 Tabnova Ltd.", and "1.1.2".

Use the e-mail address and password provided by the school administration to login to the system. Check the "Stay logged in" option to stay logged in until the user decides to log out. If you want to save the email address and password you entered for future sessions, tap the "Stay logged in" option.

Log out	When you click "LOGOUT" the user gets signed out of the app.
Change password	When the user clicks "CHANGE PASSWORD", a screen opens. From there user can change the password of his account.

## Create a school

The screenshot shows the 'Create a school' form in the SCHOOL APP. The form is titled 'Schule anlegen' and includes a 'Speichern' button. The form fields are:

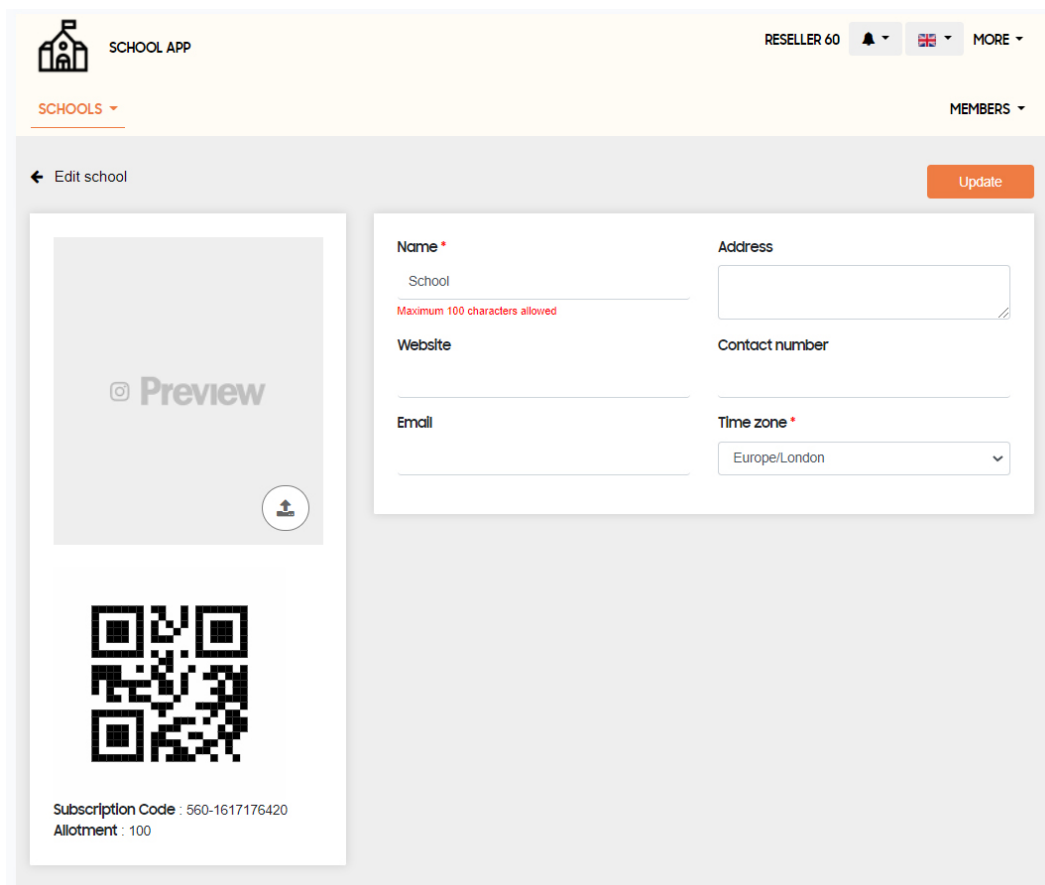

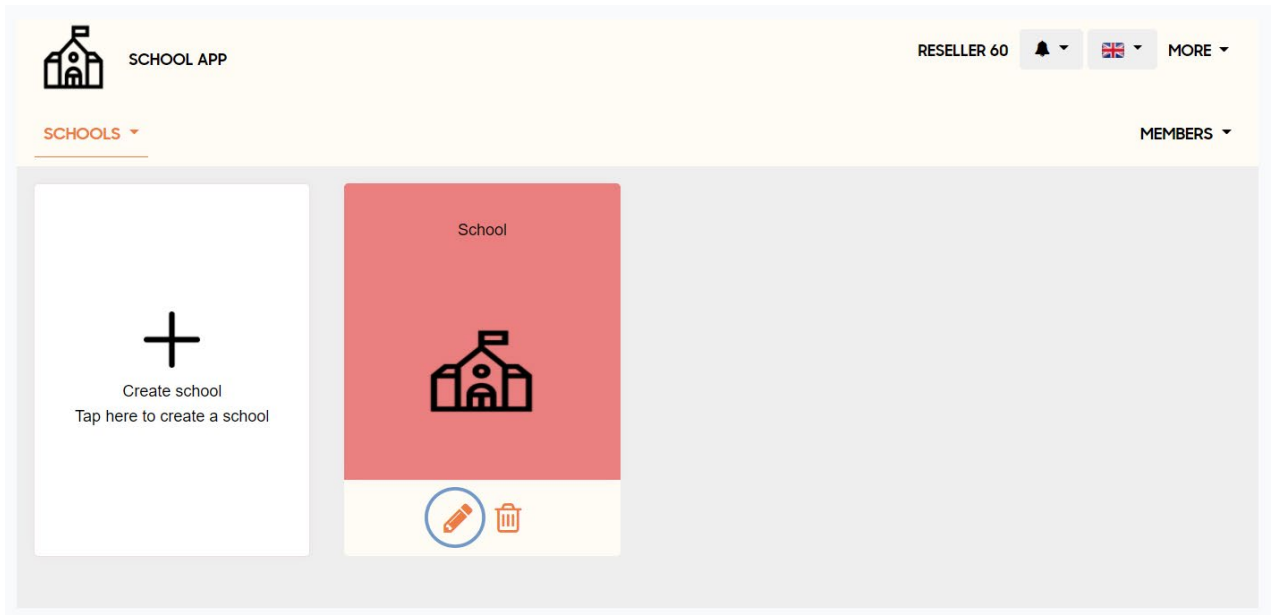

- Name \*  
Schule  
Maximal 100 Zeichen erlaubt
- Adresse
- Website
- Telefonnummer
- E-Mail
- Zeitzone \*  
Zeitzone auswählen

- Click on “Create school” and create a school.
- A subscription code is generated.

## Generate subscription code

Once the school has been created, click on the "edit icon" below the school to view the subscription code and QR-code.

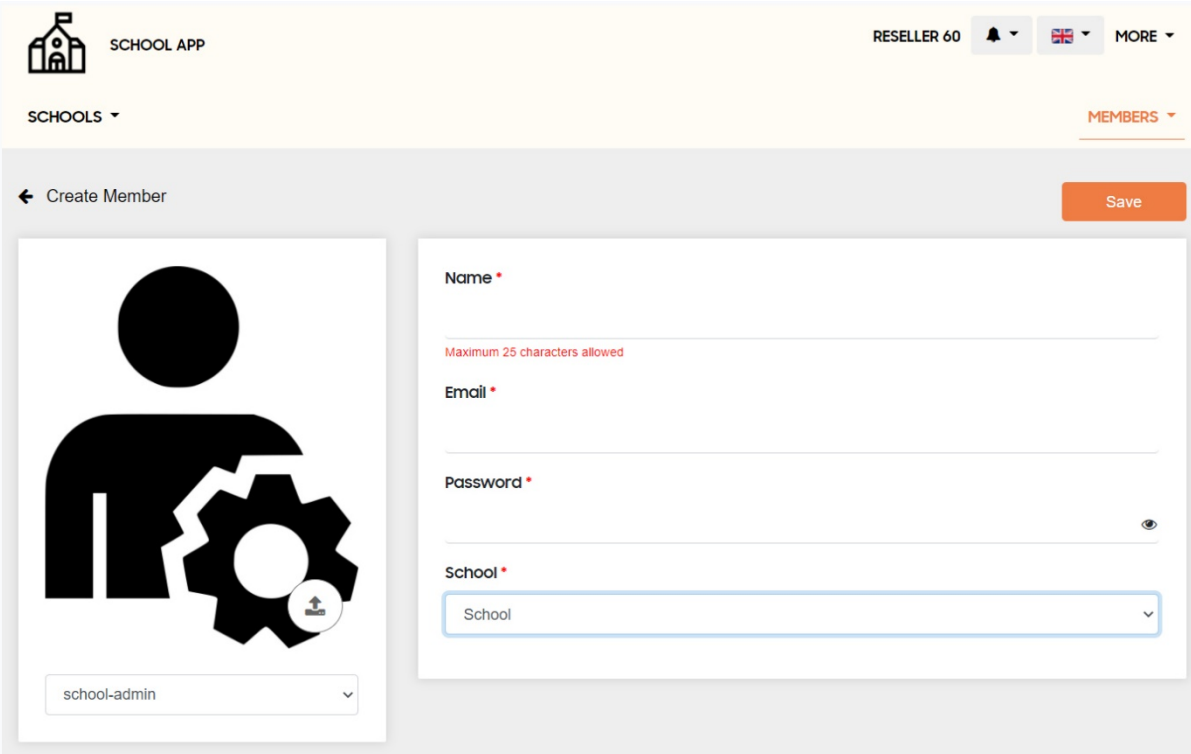

## User type

---

### Create user

#### School administrator

Click "Members" -> "Create". From the drop-down menu, select 'school-admin'.

The screenshot shows the 'Create Member' interface in the School App. The top navigation bar includes 'SCHOOL APP', 'RESELLER 60', a notification bell, a language selector (UK flag), and a 'MORE' dropdown. Below this, there are 'SCHOOLS' and 'MEMBERS' dropdown menus. The main content area is titled 'Create Member' and features a profile picture placeholder with a gear icon and a 'school-admin' dropdown menu. To the right, there are four input fields: 'Name' (with a red asterisk and a note 'Maximum 25 characters allowed'), 'Email' (with a red asterisk), 'Password' (with a red asterisk and a toggle eye icon), and 'School' (with a red asterisk and a dropdown menu). An orange 'Save' button is located in the top right corner of the form area.

- Enter your name, email address, password and school.
- Tap Save to complete the creation of the user.
